

## Kampagneinformation Collection

### Hvad?

Spar op til eller over 30% ved leje af en Autodesk Collection i 1- eller 3 år.  
Der kan vælges mellem single- og multibruger.

### Hvornår?

Kampagnen er gældende fra og med den 10. juli 2017 til og med den 20. oktober 2017.

### Hvem?

Kampagnen kan kun benyttes af virksomheder, som har en ældre Autodesk ejeløsning uden aktiv maintenance plan (årlig vedligeholdelsesaftale).

Autodesk løsninger skal være i version R14 (år 1998) op til version 2017.

Ved at benytte sig af denne kampagne bytter man sin ældre ejeløsning ind og derved skal denne slettes/fjernes fra de pc'er, som den er installeret på.

NB! Ejelicensen må ikke længere benyttes.

Ved bestilling af denne kampagne bedes I angive serienummeret på jeres ældre løsning, som byttes ind i denne kampagne, da dette skal verificeres.
